ABOUT US

Since 1982, **Graffiti Interior Design Studio** has been dedicated to creating exceptional spaces through innovative interior and exterior design solutions. Over the years, we have built a reputation for delivering high-quality projects tailored to diverse styles and needs.

Based in Cairo, we are a full-service design and consulting firm specializing in architecture, furniture design, and the harmonious coordination of colors and spaces. Our passion lies in transforming visions into reality, blending functionality with aesthetic excellence to craft spaces that inspire and delight.

With decades of experience, we continue to redefine design standards, ensuring every project reflects our commitment to creativity, precision, and timeless elegance.

OUR FACTORY, OUR LEGACY

Established in 1982, Al Wasael has been a trusted manufacturer and supplier of high-quality furniture based in Cairo. From the very beginning, we have focused on crafting furniture that reflects our deep understanding of the Egyptian market and leverages decades of expertise in the field.

Our factory, located on the Ring Road, has been the heart of our operations, where we continuously innovate and refine our production processes.

Today, we are proud to develop a wide range of functional and ergonomic furniture designed to meet the diverse needs of modern homes, villas, and businesses. With an extensive selection of designs, colors, and dimensions, our products combine practicality with style, ensuring they fit seamlessly into any space.

A modern outdoor lounge area at night. The scene features a long, white modular sofa with several grey and white cushions. In front of the sofa is a low, dark wooden coffee table. The seating area is on a wooden deck. To the left, there's a large potted plant with broad green leaves. The background shows a white wall and a pergola structure with a white canopy. The lighting is warm and ambient, highlighting the furniture and the architectural details. The sky is dark blue.
